

Northwest Seminary & College
General Financial Aid Policy

Northwest Seminary & College financial aid is designed to assist the seminary in achieving its primary end goal: to equip effective ministry leaders for Fellowship Baptist Churches and Agencies. Given our end goal, the priority for the use of Northwest Seminary & College financial aid will be to assist members of Fellowship Baptist Churches in graduate degree, diploma, and certificate programs. The amount of financial aid awarded and the number of individuals receiving assistance, is dependant on the availability of funds and changes with each semester.

Northwest General Financial Aid

1. Fellowship Baptist students who are not on the Matching Grant Program, if they are enrolled minimally for 3 semester hours of credit in a semester, will receive, upon application and if they meet the academic criteria, a set amount per semester. That amount will be set annually by Northwest and will fluctuate depending upon funds available. It may be that in some years no funding will be available.
2. Students who do not have membership in a Fellowship Baptist church may apply for financial aid. If Northwest determines that it has funding to assist, then this will be offered as a set amount per semester. That amount will be set annually by Northwest and will fluctuate depending upon funds available. It may be that in some years no funding will be available.
