

A Sure WORD to be Sure About: The Doctrine of Scripture

“We believe the Holy Bible to be that collection of sixty-six books from Genesis to Revelation which, as originally written, was objectively the very Word of God; that it was written by men supernaturally moved; that it is verbally and plenary inspired; that it is truth without any admixture of error; and therefore is and shall remain to the end of the age, the only complete and final revelation of the will of God to men; the true centre of Christian union and the supreme standard by which all human conduct, creeds and opinions should be tried.”
