

# ***A. The Bible is Inspired Revelation***

- **The Bible—not just a human book but *special revelation***
- **The OT documents record divine speech**
- **The NT documents presume the OT to be divine speech & indicate themselves to be such**
- **Despite “circularity” there is consistency**

## ***B. The Bible—Both Authoritative and True***

- **Inspiration leads to issues of authority and truth**
- ***Verbal and plenary* inspiration is a minority evangelical conviction...**
- ***Verbal and plenary inspiration* is the considered conviction of the professor and the assumption of this course...**
